Where We Meet

Our weekly meetings are held at **Broomfield Football Club, Mill Lane, Broomfield, Chelmsford CM1 7BQ** where there is plenty of parking and easy access to the Club.

SIGs & Workshops

Special Interest Groups (SIGs) and Workshops are held monthly on-line, starting with Wildlife on the first Wednesday in each month.

External Competitions

The Club enters some external competitions each year, competing with most of East Anglia. We have a good success rate and you are welcome to attend and give the Club some support.

Website

Latest Club news, competition rules and results, members' images, photo and digital tips and details of external events are all available on our website..

About the Club

Formed in 1952, Chelmsford Camera Club has a current membership of about 70. The Club takes part in many inter-club competitions, organises occasional days out and provides members with a first-class, entertaining and informative programme of high quality speakers on all aspects of photography.

There is always a warm and friendly atmosphere at the Club and we have a refreshment break during the evening when members can view others' work, ask advice or simply get to know each other. All levels of photography are catered for and beginners are made very welcome; there is no obligation to enter work into the competitions - you can sit back and enjoy seeing the work of others before having a go yourself. Experienced photographers can, of course, enter work as soon as they become members.
